Serving the community Supporting our ministry

New Day Thrift Store

New Day Thrift Store is more than just a place to recycle your gently used, no longer needed household goods. And while you can certainly fill your shopping cart with bargain-priced items, have you stopped to think how the Store connects with the community by providing an affordable place to shop for people on a limited income? It is also the source for free baby clothing and gear needed by families receiving services at New Day Center.

In addition to providing material goods at low cost, the Store and its employees, both volunteer and paid, strive to convey the love of God in both word and action. A large screen TV displays upcoming sales dates, as well as information about Christian Life Ministries and New Day Center, and how Store revenue supports this important work.

Did you know that Store revenue provides 50-60% of the CLM budget each year? The rest of the budget is completed with monetary donations from WELS, ELS, community churches, grants, or individuals. CLM accepts NO government funding because this funding often comes with restrictions on what can be taught and done in New Day Center. We want the freedom to weave God's word into our education or daily interaction with the clients.

As we push forward, focusing more on educational classes for our clients, we strive to do more and more education with God at the center. Pastor Endorf, our spiritual leader on the CLM Board, has been helpful in teaching and training staff to be confident in sharing both law and gospel. At times, this does cause clients to walk away, but we know and pray God is watching over our mission and will bring those to us that want parenting education and are willing to hear HIS Word as well. We are determined to follow HIS lead with clients who need HIM and our help.

There are various ways you can help the Thrift Store and New Day Center succeed.

- Pray for our mission to spread the gospel while protecting families and the unborn.
- Volunteer in the Store or Center.
- Support us financially, either with regular monthly donations or a one-time gift.
- Donate gently-used goods to the Store.
- Host a diaper drive or a baby bottle coin collection.
- Have your church or school designate a special offering to Christian Life Ministries & New Day Center.
- Use your Thrivent Action Team grant to purchase diapers and wipes.

Thank you for helping us make a difference in our clients' lives, we cannot do it without YOUR help!

*In the same way let your light shine
in people's presence, so that they
may see your good deeds and glorify
your Father who is in heaven.*
